

# Succession Planning

## Diagnostic for Identifying Improvement Opportunities - Sample Criteria

**Instructions:** Rate how well your organization implements each of the following aspects of succession planning using this scale:

**Strong:** Well-implemented; minimal improvement needed

**Adequate:** Satisfactorily implemented; some improvement possible

**Needs Attention:** Significant opportunity for improvement

Needs Attention      Adequate      Strong

### Business Strategy Alignment

Our succession planning process is aligned with the organization's long-term strategic goals and is regularly reviewed to adapt to changing business needs.

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
--------------------------	--------------------------	--------------------------

### Succession Scope

We have clearly identified critical roles pivotal to the organization's success, using transparent and well-defined criteria.

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
--------------------------	--------------------------	--------------------------

### Successor Identification

Potential successors are identified based on objective and consistent criteria, with evaluations considering both current performance and future potential.

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
--------------------------	--------------------------	--------------------------

### Successor Development

Development plans for potential successors focus on the most critical activities needed to prepare them for targeted roles.

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
--------------------------	--------------------------	--------------------------

### Successor Readiness

We effectively assess and track the readiness of successors for key positions, ensuring they are prepared when opportunities arise.

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
--------------------------	--------------------------	--------------------------

### Diversity and Inclusion in Succession Planning

Our leadership pipeline includes a diverse pool of candidates, supported by deliberate efforts to mitigate bias in the selection process.

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
--------------------------	--------------------------	--------------------------

### Emergency Succession Plans

We maintain up-to-date emergency succession plans for key leadership roles, and these plans are regularly reviewed for relevance.

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
--------------------------	--------------------------	--------------------------

### Governance and Accountability

Roles and responsibilities for overseeing succession planning are clearly defined, and progress is regularly monitored and reported to senior leadership.

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
--------------------------	--------------------------	--------------------------

### Integration with Talent Processes

Succession planning is integrated with other talent management processes, such as the talent review process, to ensure alignment in identifying, assessing, and developing key talent.

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
--------------------------	--------------------------	--------------------------

### Metrics and Measurement

We use clear metrics to measure the effectiveness of our succession planning efforts, including successor readiness, diversity in the pipeline, and successful transitions.
